1 X EX41111 '68-'76 RWD CADILLAC HEADERS

SKU: EX41111

Mid length headers for '68-'76 RWD Cadillac (All exc. Seville). Specifically designed for '67-'76 Coupe Deville, Sedan Deville, Concourse, Calais, and Fleetwood cars.

Can also be used in '64-'67 RWD Cadillacs with a 472, 500, or 425 CID swap, but often requires minor modification. Also used for most RWD / rear-steer swaps, such as '72-older Fords, some 50s Oldsmobiles, etc.

Easy fit, no hammer required - properly designed to fit the application and perform great.
